# Move More Air.

## Horizontal Airflow Fans / Box Fans

Optimum performance & versatility are standard features of the VAL-CO® Circulation Fans. Designed with high efficiency motors & blades, they are a perfect complement for general purpose air movement in agricultural applications.

*Box Z-Fans are backed by VAL-CO's 7 year housing warranty - see dealer for details.*

### Horiz. Airflow Fans Features

- Heavy-duty powder coated, welded wire guard screen
- Sanitary white color
- Snap together guard screen for fast removal
- OSHA complaint guards
- Versatile mounting options for most locations
